

## E-MAIL ADDRESSES

The church office is currently assembling a list of e-mail addresses from our members for the purpose of using e-mail rather than 1<sup>st</sup> class postage to notify members of committee meetings, church events, etc.

This will save the church an unnecessary expense and demonstrate good stewardship of our funds. If you have an e-mail address, please fill in the blank below where you would like to receive church notices. Please use only upper or lower case letters as it appears on your e-mail address. If you have more than one e-mail address (home & business), please use the one you wish to use for church mail. If it doesn't matter, include both and e-mails will come to both addressees.

If you have already given us your e-mail address, but not completed one of these forms in church, please do so again. If you have no e-mail address, please indicate "None" on the e-mail address line and check the box "I would like church notification mailed to me."
